

Northside Imports Inc.

Dear Valued Customers,

Amid ongoing concern regarding COVID-19, our top priority at Northside Imports Inc. is the health and safety of our customers and employees. We understand the growing uncertainty you may be feeling around the evolving situation.

Northside Imports remains open during our normal hours as we are deemed an Essential Business. We will continue servicing customers under the current circumstances of "shelter-in-place" and "stay-at-home" orders that are being implemented. We are monitoring all developments related to COVID-19 closely and our employees are following the precautionary actions deemed necessary by the CDC's social distancing protocol.

We continue to offer pick up, delivery, and UPS deliveries as usual. We have implemented sanitation practices for our drivers and taken additional measures in our many locations including: Washing hands frequently, adding antibacterial soap stations, creating clean zones in delivery vehicles, reducing the number of high touch areas at our locations, etc.

It is our intention to remain transparent during this time and will continue to update you if there are any changes. Thank you for your trust and understanding and we will do our best to support your auto parts needs.

Sincerely,

Northside Imports Inc.
